Experienced in delivering technical training, conducting practical laboratory sessions, preparing lesson plans, evaluating students, maintaining academic records, and supporting admissions and office administration. Skilled in Computer Hardware, Office Automation, Python, HTML, CSS, JavaScript, Microsoft Office, MySQL, Windows, and Linux. Seeking opportunities in Teaching, Programming Assistance, IT Support, Computer Operations, Data Entry, Hardware & Networking, and Administrative roles.

CORE COMPETENCIES

Technical Training: Computer Hardware & Networking, Office Automation, Classroom Management, Lesson Planning, Student Assessment, Laboratory Administration

IT & Support: Desktop Troubleshooting, Computer Maintenance, IT Support, Data Entry, Record Management, Office Administration

Software & Systems: Microsoft Excel/Word/PowerPoint, Windows Administration, Linux Fundamentals, MySQL Database, HTML, CSS, JavaScript, Python Programming

Professional: Problem Solving, Communication, Team Coordination, Time Management

PROFESSIONAL EXPERIENCE

Computer Hardware & Networking Instructor

November 2024 – July 2026

Electro Technical Institute, Manjeri, Kerala

- Delivered classroom and practical training in Computer Hardware & Networking and Office Automation.
- Successfully trained approximately 60 students across multiple batches.
- Prepared lesson plans, practical exercises, assignments, and assessments.
- Conducted practical laboratory sessions covering computer hardware, networking, Windows, Linux, Microsoft Office, and system maintenance.
- Evaluated student performance and maintained attendance, academic records, and progress reports.
- Assisted in admissions, office administration, documentation, and institutional record management.
- Managed computer laboratories and ensured proper maintenance of hardware and networking equipment.
- Reduced system downtime through timely troubleshooting and preventive maintenance.
- Resolved hardware and basic network-related technical issues to ensure uninterrupted lab operations.
- Improved laboratory efficiency by organizing systems, equipment, and learning resources.
- Developed teaching materials that enhanced student understanding during theory and practical sessions.
- Coordinated class schedules and supported daily institutional operations.
- Trained and guided junior staff members when required.

Computer Operator Intern

2-Week Internship

Kuzhimanna Grama Panchayat, Malappuram, Kerala

- Performed computer operation and administrative support activities.
- Entered and maintained land tax records and citizen data using Microsoft Excel.
- Organized digital records and ensured data accuracy.
- Assisted with document preparation, office administration, and public service workflows.
- Supported file management and computerized office operations while maintaining confidentiality.

Networking & Hardware: Computer Hardware Installation, Desktop & Laptop Troubleshooting, Basic Networking, Computer Maintenance, Peripheral Installation

Online Collaboration: Microsoft Teams, Zoom, Google Meet

PROJECTS

Personal Portfolio Website

- Designed and developed a responsive portfolio website showcasing technical skills, certifications, and projects using HTML, CSS, and JavaScript.

Arduino-Based Door Opening System

- Developed an Arduino-based automated door opening system integrating hardware components with embedded programming concepts.

EDUCATION

Bachelor of Commerce (Specialization in Computer Application) — Pursuing

Pristine Valley College of Arts and Science

Expected 2030

ITI – Computer Operator and Programming Assistant (COPA)

Government Industrial Training Institute, Areekode

2024 | 86%

Higher Secondary (12th Standard)

Kerala State Board

2023 | 56%

Secondary School Leaving Certificate (10th Standard)

Kerala State Board

2021 | 86%

CERTIFICATIONS

- Computer Operator and Programming Assistant (COPA) – ITI / NSDC
- Computer Hardware & Networking – Skill India
- Computer Peripherals – Skill India
- Python Programming – ITI / NSDC
- Networking – ITI / NSDC
- Cybersecurity – Coursera

LANGUAGES & TYPING SKILLS

Languages: Malayalam (Native), English (Intermediate), Tamil (Beginner)

Typing Speed: English: 30 WPM, Malayalam: 25 WPM

ADDITIONAL INFORMATION

- Immediate Joiner
- Willing to Relocate within India
- Strong analytical and problem-solving abilities
- Passionate about teaching, technology, and continuous learning
